

*S. Judiciary*

2. In accordance with the Director's instructions, I attended a meeting of the Senate Judiciary Committee on S. J. Res. 39 dealing with a proposed Constitutional amendment for the filling of vacancies in the House of Representatives in the event of disaster. Sen. Knowland had requested that CIA be included in the list of witnesses, and, although we did not testify, I informed him that I was present to render any assistance to the Committee and I believe he was grateful that we had attended. *5 May 54*
